

PEOPLE, PROCESSES & SCHEDULES...OPTIMIZED.

Study Room Reservation System Now finding a study room is quick and easy!

Now, students can instantly find and reserve study rooms – without spending valuable study time searching the halls and looking through windows to see what's available.

PeopleCube's new Study Room Reservation System was designed in partnership with one of the leading business universities to provide better student services and a more productive study environment.

The Study Room Reservation System provides these unique benefits:

- Reserve study rooms from any web-browser
- Simple-to-use interface for students
- Search for rooms by location and capacity
- Security controls enforce campus scheduling policy
- Staff reports show room utilization

Plus, the PolyVision RoomWizard™ display unit provides these additional benefits (optional*):

- On-the-spot reservations for impromptu meetings
- Red and Green indicators clearly display room availability
- Check-in functionality confirms room usage and no-shows

Contact PeopleCube today at sales@peoplecube.com or 1-800-282-7319 and ask about the new Study Room Reservation System.
